Dear Parents/Carers

**Photographs and Christmas performances**

We hope you have enjoyed the Christmas performances your children have taken part in this year.

We have been made aware that some images have been shared on social media which do not only contain people's own children. We ask that you please remove these images.

We would like to politely remind you that for safeguarding reasons please do not post any pictures or videos that may contain images of children other than your own on social media. Please remove all images

**If we continue to receive reports that images are being shared on social media we may have to take the sad decision to stop parents from taking photographs or filming at ANY school events.**

This is a safeguarding requirement.

Many thanks
