## **Responsible Use of the Internet**

As part of pupils' curriculum enhancement and the development of ICT skills, Highlees Primary School provides supervised access to the Internet.

There may be concerns about pupils having access to undesirable materials. We take positive steps to deal with this risk in school. Our school Internet access provider operates a filtering system that restricts access to inappropriate materials. This may not be the case at home.

A copy of the **Rules for Responsible Internet Use** is available at school or on the school Web site.

### ***Parent/Carer's Agreement***

I give permission for my child, named overleaf, to access the Internet for educational purposes.

## **Parental Consent for all Local Visits**

Parents will already know that groups or classes of children are frequently involved in local visits during normal school hours. These visits form an important part of the curriculum followed in school. (Please note that for all visits outside of the local area the school will obtain additional consent).

### ***Parent/Carer's Agreement***

I give permission for my child, named overleaf, to be taken out of school on local visits.
