HOMework

We will send home packs to help with revision, keeping all of the content fresh in their minds.

Please encourage your child to complete these independently as often as they can.

They should not take more than 15 minutes at a time.

All children will benefit from **reading as often as possible for an extended period of time (at least 30 minutes in one sitting)**. This helps to sustain and build reading stamina which is essential for the tests and as they move forward in their school career.

Year 6 SATs Breakfast Club

During the week of SATs a light breakfast will be offered in the class when the children arrive.

This will be free of charge.

Children do not have to have it but it is there if they want it.

SATs Week

The children do not need to bring anything in especially. We will provide all stationery for them.

Children need to come in school uniform all week, but they can wear trainers.

Please make sure they arrive on time as SATs will start at approximately 9am.

**If you have any questions,
please contact us, via the school
office, and we will be happy to
