Class Curriculum Information

Year 6
Autumn Term 2
2026/2027

CLASS NOTICES

Class Text
Our class text is *The Wolf Wilder* by Katherine Rundell.

Reading
All children will read for at least 10 minutes every day in school and we hope parents will do the same at home. Please ensure that your child is reading regularly at home, and talk with them about what they have read. Books will be changed when children have completed an Accelerated Reading Quiz.

PE
PE will take place on a **Monday and Friday.** Children can come to school in their kit (plain shorts, leggings, joggers and plain t-shirt) on PE days.

Homework
Spellings and maths will be sent out every **Friday** and returned back into school by the following **Wednesday.**

Please ensure your child brings in a water bottle and coat everyday.

ENRICHMENT AREAS OF LEARNING

English 	In English this term, we will be focusing on discussion of themes and questioning of characters' motives and author's intent when looking at our class text (The Wolf Wilder) and other fiction and non-fiction extracts. Our writing will focus on a narrative that builds tension and argument writing.
Maths 	In Maths, we will focus on fractions (comparing, ordering, calculating and finding fractions of amounts) as well as continuing to develop a rar reasoning and arithmetic skills. If your child i unsure of their times table facts, please enco them to practise regularly at home. 
Science 	During the term, the children will be learning about classifying plants and animals based on specific characteristics and understanding how the system of classification was developed by Carl Linnaeus.
Computing 	We will be looking at web page creation. We will investigate what makes an effective website and will learn how to design our own content for a variety of purposes, considering layout and functionality.

ENRICHMENT AREAS OF LEARNING

Geography 	We will be studying Alaska, learning about key aspects of the physical and human geography of the state and the impact of humans on this environment.
R.E. 	In RE this half term, we will be continuing to learn about aspects of Christianity and Humanism.
DT 	During this term, we will focus on DT in our unit about automata. We will make and join moving parts to a frame and evaluate how well they work.
P.E. 	Our PE will focus on fitness this half term. Children will learn about different aspects of fitness and how a range of activities can help them to improve each of these.
Music 	In music, we will be developing our accuracy with pitch and rhythm in singing and use instruments and digital technology to create compositions.
